Dated, Tumkur, 7th October 1896.

To The Secretary to the Government of
Mysore, Muzarai Department

Sir

With reference to your official memorandum No: 908 dated the 24th February 1896, forwarding for report a petition from B. Venkatagriyappa and others of Tiptur, regarding the Ranganatha Swami and Anjaneya temples at Tiptur. cus-ba, I have the honor to state as follows:-

2. The complaint of the Petitioners is

(1) that the Inam land attached to the Ranganatha Swami temple was taken up by the Municipality and no land was granted in exchange, and

(2) that the Anjaneya Temple should be repaired and land equivalent to what was taken up for the Railway granted in exchange.

3. The Ranganatha Swami temple at Tiptur is in receipt of a cash allowance of Rupees 0-3-10- per mensem. In addition to this, it was in the enjoyment of an Inam land survey No 50, measuring 1 acre and 37 guntas and assessed at

Rupees 2-4-0, subject to a jodi of Rs 0-14-0.

This Inam land was taken up in the year 1887-88 for extending the town and Comm-pensation of Rupees 220/ was fixed for it. The acquisition of the no. by the Municipality was sanctioned by Government in Proceedings No. 5807-8 dated 29th October 1889, but in order No 522 dated 10th October 1890, the Deputy Commissioner of the day directed that it was not necessary to acquire it. The Deputy Commissioner's order however was not given effect to by the Amildar as he had taken possession of the land on behalf of the Municipality, laid out roads and marked out building sites thereon between 1887 and October 1890. Though the temple was deprived of the Inam land, the Compensation fixed there-for was not paid to it, and no steps were taken for either the grant of other land in exchange or for the remission of the assessment and jodi thereon. As a matter of fact, the Pujari has been praying to Government, the jodi of 14 annas on account of this land which has not as yet been removed from the Register of jodi Inamty Lands. A of the land has already been I have now called upon - to pay to the credit

of the temple the sum of Rupees 220/ which was fixed in 1887-88 as compensation for the Inam land in question and have directed the Amildar to submit an alienation statement in the prescribed form in order that the land may be removed from the head "Inam" and the assessment and Jodi struck off. Steps will be taken to allot other land in exchange, for the benefit of the temple. The temple is reported to have been repaired by the townspeople and kept in good condition.

4. The Anjaneya temple is endowed with the marginally noted Inam lands. Out of these, portions of survey nos 134 and 185, aggregating 1 acre and 5 guntas in extent were taken up for the Railway and a compensation of Rupees 144-11-0 paid therefor. This amount has been deposited in the Government Saving Bank in the name of the temple. The remaining nos: are in the possession of the Pujaris who pays the fixed Jodi of Rupees 4-4-0. Steps will now be taken to reduce the Jodi in proportion to the land taken up for the Railway and to select other land for grant to the Temple in Inam.

5. As the Anjaneya temple is reported to be badly in need of repair, I have directed the Amildar to prepare an estimate for the work and will submit it for sanction in due course

3. The persons interested in the temple have promised a liberal sum for the erection of Rupees 1000/-
